or

**Register Online at:**

<https://annecarlsen.org/event/sibshop-jamestown/>

Sibshops are programs where siblings are able to come together to connect with others who have a brother or sister with a special need. By attending sibshops our goal is that your child will connect with a new community of peers their age and be able to share, discuss and communicate their experiences and feelings. All of these activities are in a fun recreational environment.
